Dear Mr Weisberg

Thank you for your letter of 4/1
What I asked you is in which
of your books you point out what
organisation(?) was behind the murder
(Kenn., King, attempt Wallace). I wanted
buy this book. Thomas Buckener
is very clear. Books were written
but in which was told that the
exhibit #385 "invented" by Spector
is 2x2=5. It could by only made
with a pistol on the back of
Warren commission or for U.S.
born nuts. You wrote a whole
book trying to show that Oswald
was govt (U.S.) agent. It is a waste
of money and absolutly insignificant

In war thousands of soldiers are deliberatly killed in certain circumstances. "Boo" perished on "Main" in 98 by explosion arranged by U. S. govt to have a pretext for a war. Many times more in Pearle Harbor. I suppose you read my letters to Rockefeller, Gonzalez and Levi.
At the present the green started Brain washing of U. S. Snellers with innumerable pictures of orphans. Big display bringing a few hundreds to this country from 3½ mill.! I suppose (govt is) making ready for the next and last (war)

Va to ny
